

Suraj Sadanandan

Packaging Technologist

I am a skilled and detail-oriented Packaging Technologist with a passion for developing innovative and sustainable packaging solutions. With more than 15 years of experience in the print & packaging industry, I possess a strong understanding of materials, design principles, and manufacturing processes. I am committed to creating packaging solutions that balance functionality, aesthetics, and environmental responsibility. I have Prepress Managerial experience too with extensive experience in Litho, Flexo, Gravure, and Silk Screen process. Worked for major Commercial, Luxury Packaging & Corrugated Packaging companies in India and the Middle East.
