Subject: Applying for Finance and Accounts Position

Dear HR Team,

I found your job post on the Indeed application regarding for accounts and finance position, I am interested for applying to this position, I would like to introduce myself, I am Peer Mohammad from India, I am graduated in accounting & finance and post-graduation in MBA Finance, I have 7 years of experience.

I manage all accounting operations activities, month end closing, payroll processing, VAT return, manage working capital, credit control, budgeting and forecasting, analysis of financial statement, preparation of balance sheet, income statement and cash flow statements, MIS reports.

Kindly review my attached CV for additional information regarding my experience and qualification, I am available in UAE on cancelled visa will join immediately.

Regards

Peer Mohammad
