Get our full services of visa sponsor in Dubai if you have started your business in Dubai corporate sector or already running a corporation in UAE.

Corporate PRO Visa Sponsor

Genius BS offers an extensive range of reliable PRO services in UAE. Whether it is an approval from Government and Ministry departments, work related in semi government, generating visa application or attestation of visa documents, Foreign Affairs and Chamber of Commerce related work, or documents processing, writing and clearance in Economic, Labor and Immigration departments, we are just an appointment away for all the requirements of PRO services in the UAE.

Benefits of Getting PRO Visa Sponsor Services from Genius BS

You will save a considerable valuable amount of time by hiring us for your public relations services in Dubai.

We are highly professional service provider with complete staff holding vast experiences in corporate PRO services.

We have dealt with several kinds of PRO required for visa sponsors and issues on regular basis and that is why our employees have become highly experienced in handling all official procedures.

We provide assistance in Arabic documents writing for various government departments and deliver complete employees visa at your doorstep.

We have a huge range of professional document translators and writers available that supports Arabic document processing.

PRO Outsource

Genius BS is a renowned company focused on offering a multitude of reliable outsourcing services. We present cost-effective, professional and timely solutions in Dubai and all over the UAE for your business requirements so that you can concentrate on your revenue generating core area of business. We have an extensive portfolio of Professional Consulting, PRO Documents Clearing, Business Setup, Technology Support Service, and Various Visa Sponsors.

Benefits of Outsourcing in UAE

Within the UAE, there are only limited regulations applied for the arrangements of business transfer and legal provision of outsourcing services.

Business can enjoy the flexibility of adopting various staffing models.

The outsource provider holds the authority to dismiss the workers without going through a consultation process at the end of an assignment as required by other jurisdictions.

Genius BS is offering full spectrum of PRO services for Dubai businessmen to manage outsourcing and existing businesses in Dubai. Our expert PRO managers and reliable staff will advise you in selecting the technology support service and various visa sponsors.

PRO Services for School Visa Sponsor

Have you been offered a respectable and exciting teaching position in Dubai or anywhere in the United Arab Emirates? Or are you running a school and willing to hire teachers but visa comes in your way? We are here to overcome all these hurdles you are facing regarding school visa sponsors through our reliable PRO services.

Now that your nerves have successfully survived all the excitement, it's time to decide on whether you should go by yourself first or get the service to immediately move with your family. There are several expats in Dubai facing the same dilemma and almost everyone prefers to settle down first, start job in school and then think about moving their families if possible.

Genius BS has a reliable team of the PRO visa sponsor service provider in Dubai and all over UAE. We are here to help you in pursuing your education career and in finding teachers from abroad. We will guide you in taking the very first step and all documents processing to reach your dreams.

How hard is it to get approval?

When you reach the stage of getting approvals for your employees' visa or other visa services required in the corporate world, you may come across the inconvenience caused of submitting all the supporting documents. You can get easily confused especially if you are new to this kind of task, since requirements are not easy to understand. We have a dedicated team of experts who are providing PRO services for corporate visa sponsor in Dubai and all over UAE.

Hiring our PROs in UAE will not only save your time in terms of paperwork required but also error free processing is guaranteed. One may make several mistakes approaching the Government and Ministry departments for attestations and approvals, as the formalities involved are perplexing and a single mistake requires starting over the entire process again.

We are here to overcome these hurdles. We will keep you updated during the entire process which starts from the creation and writing of application, preparation of paperwork and submission of documents for processing.
